Looks like DEQ is deferring the decision to you. I'm available this month except for Nov 13th and 14th (will be in Missoula).

Hi Mark/Andrea,

Attached is a copy of an email/letter I received from DEQ. Let me know when you have a chance to look at this and we can schedule a time to discuss.

FYI – I will be traveling to Helena tomorrow and working there this week and then off the next week and I will be back in the office Monday, Nov. 13th.

Thanks
Mike

Mike,

Please find attached a letter that is going out with today's mail regarding DEQ's position on the use of rubblized concrete under Building 1 at the CFAC site as backfill.

If you want to discuss this issue more, I'd be happy to help arrange a sit down with you and the relevant programs at DEQ.

Brad
